Scandal, division, disease, doubt. The Church has withstood each of these throughout our very human history. But today we confront all of them, all at once. Our response in this moment is pivotal.

In the midst of these roaring waves, Jesus is present, reminding us that he is more powerful than the storm. He desires to heal, renew, and unify the Church and the world.

How will he do it? By uniting us once again around the source and summit of our faith—the Holy Eucharist. The National Eucharistic Revival is the joyful, expectant, grassroots response of the entire Catholic Church in the U.S. to this divine invitation.

Let's prepare to be part of the Eucharistic Revival in the Archdiocese of Denver!

We need donations of sodas, water bottles, plates, cups, napkins and disposable cutlery for the Kermes. If you wish to cooperate you can bring them during the week to the parish office.

Announcements

Saint Joseph's parish community congratulates His Eminence Card. James Francis Stafford for his 90th birthday celebration! With grateful hearts to God for his ministry in our Archdiocese we join him in thanksgiving for the gift of his life.

Caring **FOR OUR RETIRED PRIESTS**

Thank you to all who gave generously last weekend to the Retired and Infirm Priest second collection. If you still wish to donate, you may go online at archden.org/retiredpriest or call 303-867-0614. Your donation will help serve those who have faithfully served us. On behalf of all our retired priests, thank you for your generous care!

Pope Francis' Prayer intention for August 2022

“As a consequence of the pandemic and the wars, the world is facing a grave socio-economic crisis. And among those most affected are small and medium-sized businesses. Despite the difficulties, they create jobs, fulfilling their social responsibility. With courage, with effort, with sacrifice, they invest in life, creating wellbeing, opportunities, and work.

“Let us pray for small and medium-sized businesses, hard hit by the economic and social crisis, so that they may find ways to continue operating, and serving their communities.
